## NOTICE OF ANNUAL GENERAL MEETING

### EXPLANATORY NOTES ON SPECIAL BUSINESS:

1. Resolution 8

The proposed Ordinary Resolution No. 1 will give powers to the Directors to issue up to a maximum ten per centum (10%) of the issued share capital of the Company for the time being for such purposes as the Directors would consider in the best interest of the Company. This authority, unless revoked or varied by the Company at a general meeting, will expire at the next Annual General Meeting of the Company.

The general mandate sought for issue of securities is a renewal to a general mandate sought in the preceding year. The Company did not utilize the mandate sought during the financial year ended 31 December 2010. The renewal of the general mandate is to provide flexibility to the Company to issue new securities without the need to convene separate general meeting to obtain its shareholders' approval so as to avoid incurring additional cost and time. The purpose of this general mandate is for possible fund raising exercises including but not limited to further placement of shares for purpose of funding current and/or future investment projects, working capital and/or acquisitions.

2. Resolution 9 & Resolution 10

The Proposed RSM under Ordinary Resolution 2 was intended to renew the shareholders' mandate granted by the shareholders of the Company at an Annual General Meeting of the Company held on 26 May 2010.

The Proposed SM under Ordinary Resolution 3 was intended to obtain shareholders' mandate for New Recurrent Related Party Transactions from the shareholders of the Company at this AGM.

The Proposed RSM and Proposed SM are to facilitate transactions in the normal course of business of the Company and its subsidiaries ("the Group") which are transacted from time to time with the specified classes of related parties, provided that they are carried out on an arm's length basis and on the Group's normal commercial terms and are not prejudicial to the shareholders on terms not more favourable to the related parties than those generally available to the public and are not to the detriment of the minority shareholders.

By obtaining the shareholders' mandate on an annual basis, the necessity to convene separate general meetings from time to time to seek shareholders' approval as and when such recurrent related party transactions occur would not arise. This would reduce substantial administrative time, inconvenience and expenses associated with the convening of such meetings, without compromising the corporate objectives of the Group or adversely affecting the business opportunities available to the Group.

Further information on Proposed RSM and Proposed SM are set out in the Circular to Shareholders of the Company which is despatched together with the Annual Report of the Company for the financial year ended 31 December 2010.
